

ASHLEY NEWS

MAY - JUNE 2017

“Seek the Lord...seek His presence continually.”

Psalm 105:4

“According to my judgement the most important point to be attended to is this: above all things see to it that your souls are happy in the Lord. Other things may press upon you, the Lord's work may even have urgent claims upon your attention, but I deliberately repeat, it is of supreme and paramount importance that you should seek above all things to have your souls truly happy in God Himself! Day by day seek to make this the most important business of your life. This has been my firm and settled condition for the last five and thirty years. For the first four years after my conversion I knew not its vast importance, but now after much experience I specially commend this point to the notice of my younger brethren and sisters in Christ: the secret of all true effectual service is joy in God, having experimental acquaintance and fellowship with God Himself.”

— George Müller

George Müller was a Christian evangelist and Director of the Ashley Down orphanage in Bristol and cared for 10,024 orphans in his life. He also established 117 schools which offered Christian education to over 120,000 children, many of them being orphans.
